PROFILE

Motion designer and 2D animator with 10+ years of experience on story-led work for international development, technology and editorial teams. Selected clients include UNDP, UNICEF, GIZ, USAID, the World Bank and WHO. Alongside client work, I build free tools for Adobe, Figma and Chrome, and direct animated documentaries from script to final sound. I pair hands-on craft with production leadership, carrying projects from the first storyboard to delivery and improving the workflow for the next one.

SELECTED RESULTS

100% on-time delivery

Across Vidosia client campaigns; a workflow change cut turnaround by 15%.

200K+ organic views

On client campaigns where I directed the creative.

7 free open-source tools

For Adobe CC, Figma and Chrome; 1,100+ GitHub contributions in the past year.

3 animated documentaries

Built from script and illustration through animation and sound.

EXPERIENCE

Independent Motion Designer & Creative Developer

Apr 2026 - Present

Self-employed · Dhaka, Bangladesh

- Created Nomolos, an animated documentary channel about decisions that backfired. Wrote, illustrated, animated and sound-designed two episodes solo: Prohibition (9:40) and Cobra Effect (8:49, 23 scenes).
- Write and animate science stories for Bichitro Biggan; created Consciousness (4:08) with nine hand-drawn scenes, multiplane 3D parallax and volumetric lighting.
- Build and maintain seven free tools for editors: Adobe CEP / ExtendScript panels, a Figma plugin, and Chrome and Edge extensions, with regular releases and documentation.
- Built two bilingual WordPress platforms from scratch with PHP and vanilla JavaScript: bichitrobiggan.com and raisulsohan.com.

Project Manager

Aug 2024 - Mar 2026

Vidosia · Dhaka, Bangladesh

- Led animation and motion graphics production for global SaaS and technology clients, from brief and storyboard through delivery.
- Managed cross-functional teams, budgets, schedules and client reviews, delivering every campaign on time.
- Introduced a storyboard-and-feedback workflow that cut turnaround time by 15%; directed campaigns with 200K+ organic views.

Senior Motion & Graphics Designer

Jan 2022 - Jul 2024

JMI Group · Dhaka, Bangladesh

- Maintained a large industrial group's visual identity across social, web, email, brochures, advertising and print-ready artwork.
- Produced and edited campaign video; presented 2D and 3D concepts to marketing and product teams.
- Coordinated concurrent projects with photographers, illustrators and copywriters while keeping brand standards consistent.

Senior Motion Graphics Designer & 2D Animator

Jan 2018 - Dec 2021

Big Blue Communications · Bangladesh & UK

- Created explainers, infographic films, e-learning and social animation for international development clients, from pitch and storyboard through rigging and final animation.
- UNICEF: monthly story-based animation for the Oky period tracker. USAID: twelve infographic animations. GIZ: a climate-change awareness film for Bangladesh.
- ITF Seafarers' Trust: app explainers in English, Spanish and Portuguese. Landell Mills: a 3D map film about the Mekong river.
- Also created work for Awaj Foundation, the Dutch Embassy, HelpAge International and DAI, including Lottie animation and an interactive Adobe Animate site.

Video Editor & Animator

2015 - 2017

Think School (ThinkBangla) · Bangladesh & UK

- Edited and animated 20+ educational videos on Bangladesh's science, history and culture; also handled storyboarding and YouTube SEO.

Earlier experience

2010 - 2015

Old Bay Media · BDSPORTSNEWS.COM · Dhaka

- Program Manager & Video Editor, Old Bay Media (2013 - 2015): built and ran Bangla Boi, an online bookshop, from its catalogue and publisher deals to customer service and delivery.
- Program Manager & Sports Journalist, BDSPORTSNEWS.COM (2010 - 2012): reported from the Sher-e-Bangla stadium press box and interviewed national cricketers and footballers.
